Participating in this program will not affect your eligibility for other program benefits. If you checked one or more of the boxes in Category 1, please sign and date the form.

Category 2

My total household income before taxes is at or below the amount shown in the table below as determined by completing the Income Calculation Worksheet below. (Do not check this box before completing the worksheet.)

Income Calculation Worksheet

Step 1 - Fill out the Income Calculation Worksheet.

Instructions: Do not complete this worksheet if you checked any of the boxes in Category 1. To accurately determine your household income, you must include the income of all persons residing in your home from all sources. To determine the amount of income in each category enter the amount(s) on the check or benefit statement.

Amount per: week month year

Wages from full or part-time employment as shown on paystub or W-2 form

Unemployment or Worker’s Compensation

Social Security

Retirement Income

Child Support and/or Alimony

All other earnings

TOTAL HOUSEHOLD INCOME

(Add the amount entered on each line to figure your total household income.)

Step 2 - Compare your total household income per week, month or year to the amount shown in the table below for the number of persons in your household. If your total household income is equal to or less than the amount shown in the table, you are income eligible. Please check the box next to Category Two and sign and date the form.
